**SUPPLEMENT**

Millcreek Broadcasting, LLC ("Millcreek"), by its counsel, hereby submits this  
Supplement to its Counterproposal filed on March 18, 2002, in the above-captioned proceeding  
In support of its position, Millcreek submits the following:

The Millcreek Counterproposal requested that the Commission issue an Order to Show  
Cause to Moenkopi Communications, Inc. ("Moenkopi"), licensee of Station KTCE(FM),  
Payson, Utah, in order to change its channel from 222A to 221A. The Commission issued an  
Order to Show Cause to Moenkopi on November 14, 2003, directing Moenkopi to show cause  
why the KTLE license should not be modified to specify operation on Channel 221A in lieu of  
Channel 222A.

Millcreek has now reached agreement with Moenkopi regarding compensation for the  
channel change, and the statement of the licensee consenting to the change is attached hereto.  
Accordingly, there is no need for the Commission to wait for a KTCE response to the November  
14, 2003 Order to Show Cause

For the foregoing reasons, Millcreek urges the Commission to process this proceeding expeditiously

Respectfully submitted,

Moenkopi Communications, Inc. ("Moenkopi"), licensee of Station KTCE(FM), Payson, Utah, hereby agrees to have KTCE's channel changed from Channel 222A to Channel 221 A. Moenkopi will file an application to implement the channel should the Commission approve the amendment to the FM Table of Allotments. Moenkopi understands that this statement may be used in a filing with the Commission and hereby authorize its use for that purpose.

I verify that this statement is true, complete and correct to the best of knowledge and belief and is made in good faith.
